Madison College welcomes the opportunity to do business with all interested merchants in the community. Madison College utilizes Onvia Demandstar as its' automated bid notification and document distribution system for all Madison College Requests for Bids (RFB's), and Requests for Proposals (RFP's).

[Click here to register now to ensure that your company receives FREE notification of Madison College's over \\$25,000 solicitations.](#)

Registration on the Onvia/DemandStar network offers your company a number of important benefits, including:

- Free access to procurement bidding opportunities from participating WAPP members. (Such as Madison College, FVTC, City of Madison, and numerous other agencies)
- Automatic and immediate notification via e-mail of Madison College bid documents including: full RFP/B, exhibits, construction prints, addenda and award tabulations.
- 24/7 Access to bidding documents, construction prints, addenda, and bid results.
- **IMPORTANT:** Once your DemandStar registration has been activated, you must log in to DemandStar and go to the "Account Info" page. Then "Edit" "Commodity Codes" and select any NIGP commodity codes that pertain to your business. You will then be notified of any solicitations that match your commodity code selections. If commodity codes are not selected, you will not receive any notifications.

To view details on current and past bid details in Demandstar please follow the steps below:

- Go to: www.demandstar.com
- Login: view
- Password: purchase
- In the welcome page, select "View Full Bid List." In the Agency drop down, click on the carrot to select "Madison Area Technical College," and then click "Search."
