

Interested in learning about CAREERS IN CONSTRUCTION?

Findorff is excited to sponsor Construction Camp for high school students. This annual program provides students the opportunity to explore the many careers available in the construction industry.

Camp participants will work along side construction professionals in the carpentry, electrical, and plumbing trades as well as learn about safety on the jobsite. Students will be responsible for transportation to sites. Findorff will work with selected applicants schools' to coordinate transportation where possible.

There is no cost to students, but they must commit to attend all five days from 7:45 am - 12 pm. Lunch is provided on Friday. Interested campers should complete the application to constructioncamp@findorff.com by April 18.
